

Vacancy for Teachers

Maris Stella College Negombo Thimbirigaskatuwa Branch

Maris Stella College Thimbirigaskatuwa is a government aided catholic private boys school located at Thimbirigaskatuwa Negombo. Inaugurated in 2004 as a Branch School of Maris Stella College Negombo, after 20 years there are about 2400 students learning with 140 teachers. We have primary school, Secondary School and Advanced Level Section with all four subject streams Arts, Commerce, Science and Technology. Equipped with five dedicated laboratories for Chemistry, Physics, Biology, ICT and Technology, we are motivating young souls to broaden and deepen their minds and bring honor and glory to our society.

We are seeking for dynamic graduates who can dedicate their lives for students and willing to be professional teachers for the following posts.

- Physics – G.C.E. A/L (Sinhala Medium)
- Chemistry – G.C.E. A/L (Sinhala & English Medium)
- ICT – G.C.E. A/L (Sinhala & English Medium)
- Combined Mathematics (Sinhala & English Medium)

Requirements

- B.Sc. graduate from a reputed university
- Excellent Teaching skills to inspire young students
- Prior experience in teaching in above subjects will be an added advantage

Send your CV with all your Educational and Professional Qualifications via email or by post.
